

DIREKTE AUKTION ART, ABER FAIR

739: Renate Ariade / Tbc (2021)

C-type Archival Print.

Renate Ariadne's work gives a glimpse into an alternative world, inspired by her dreams. The low lit scenes she creates are filled with reflections and transparent materials separating them from our daily reality. Fascinated by sexuality and identity, her photographs investigate themes involving the body, such as loneliness, shame and control.
