MAISON WEBEREI IN DANCE MACABRE

The Dance Macabre was an installation of 13 Woven Tapestries depicting a modern take of the artistic genre of the allegory of the Late Middle Ages on the universality of death: no matter one's station in life, the Dance Macabre unites all.

The over-sized woven art pieces (ca. 320 by 320cm) show different archetypes of our modern day to day life, sashayed to their demise by a troupe of dancing skeletons: the personification of death.

The images for the thirteen tapestries were commissioned by textile artist Noël Saavedra
